

“Waves”

By Laszlo Lak, Jr.

Through our lives come many,
magnifying every emotion in our soul.

Be it worry, sadness, or fear, in our lives,
they take their toll.

Consuming all our thoughts and energies within,
We can easily lose hope until we look to Him.

To God be the glory, great things He has done.
So loved He the world that he gave us His Son.

Perspective now corrected, waves redefined,
a heart is set free and eyes no longer blind.

Waves of love, waves of peace,
waves of joy, and rest untold,
‘til all that can be uttered is,
“It is well. It is well with my soul.”
